

ENGAGE AND ACHIEVE

PROSPECTUS

“Moorside gives the education I need to excel in life. Teachers give me support and advice if I am struggling and praise my achievements. We all respect and encourage each other, share problems and express our views.”

Year 9 student

WELCOME

We are proud of all we have to offer at Moorside High School. We are an oversubscribed school with a strong sense of community and family. Our students, firmly at the heart of everything we do.

We believe all children have tremendous talents. For them to flourish they need a supportive environment that encourages them to achieve their full potential. Our pastoral systems underpins this belief and allows students the safe space they need to excel.

We want our students to enjoy learning, to question and explore, to acquire positive attitudes, behaviour, personal beliefs and to gain the independence to become lifelong learners.

You can gain a sense of the school from this prospectus. However, there is nothing better than seeing us in person. Please contact us to have a tour during the day, you will be most welcome.

Mr D Robinson, Executive Headteacher

Here at Moorside, we have a dedicated staff team and incredible students. Together, we will continue to build on the school's success and provide exciting learning experiences. Our goal is to ensure that each child feels happy, valued, and empowered to reach their full potential—both academically and socially.

Mrs G Grant, Head of School

OUR SCHOOL VISION

To provide a consistent, respectful, honest and enjoyable environment, where through self belief, students can aspire to be the best they can be.

OUR SCHOOL VALUES

Our school values are embedded in
REACH

Respect - Be respectful and supportive to one another.

Engage - Engage and be positive at all times.

Achieve - Aspire to be the best you can be and be prepared to take risks.

Community - Help to create a community which values trust, fairness and honesty.

Hard work - Always be determined and perservere in everything you do.

“Everyone is fun, kind and each lesson is exciting. The school supports us as students and will help us develop our inner skills to help with future jobs and careers.” **Year 8 student**

REACH

We encourage our students through the values of **REACH** to care for themselves and others. To seek to understand and respect others views. To know and act on what is right.

We want our students to know about the wider world, to care about the rights of others, to take responsibility for their own actions and to behave with compassion and consideration.

“ I feel my child has had a caring and successful learning environment which has prepared them well for when they leave school as a responsible young adult.” **Parent**

Students have opportunities to enjoy school trips, sports events and residential visits. We encourage them to compete, to create, to aspire and to draw the learning out of the vast range of opportunities we offer at school.

ENGAGE

We teach our students that the possibilities are endless. We aim to captivate, stimulate and inspire through a broad curriculum and the wider opportunities available through school. There is a commitment to pace and challenge in lessons and we encourage students to become more skillful at reasoning, creative thinking, evaluation and problem solving.

ACHIEVE

Our students achieve.

They understand that hard work produces results and work hard to achieve them. Academic excellence underpins everything we do here at Moorside and our results reflect this. We believe a strong academic foundation is key in developing confident and resilient young people.

Alongside academic success, we offer opportunities to excel in sport, music and creative arts.

A broad range of activities are offered, including: handball, rugby, table tennis, orienteering and street dance.

“The dedication of staff at Moorside High School is fantastic, which has enabled my daughter to progress and achieve outstanding GCSE results.”

Year 11 Parent

“Moorside helped me to focus and engage in lessons that I found I loved and felt passionate about”

Year 7 student

The Music Department works with specialist musicians who offer the full range of instrument tuition. There are also lunchtime clubs for orchestra, choir and other musical activities, including an annual show.

There are also opportunities to join in activities such as the Duke of Edinburgh Award and St. Modwen workshops.

“The careers advice, information and links with colleges, apprenticeships and further education, has given my son tailored guidance and various options, which has helped to plan his future aspirations.” **Year 11 parent**

COMMUNITY

Our sense of community and family is very important to us.

Our established transition programme is designed with your child in mind. We want them to see this next stage as an adventure and we are here to make that happen.

We understand that moving to a secondary school is different for every child. Our professional team or specialist support staff work with a range of institutions to ensure all students have the transition package that fits their needs.

HARD WORK

We set high expectations in every aspect of school life. Students are expected to work hard, to consistently treat themselves and others respectfully and to be proud ambassadors of our community.

ENGAGE AND ACHIEVE

POTTERIES EDUCATIONAL TRUST

We are proud members of the Potteries Educational Trust - a vibrant Learning Community who work hard in the areas that they serve, to maintain and develop excellent and innovative teaching and learning.
