From the Head Teacher

Coming Up This week: Armistice Day, Green Careers Week, Parliament Week, Y9 London trip, Non-uniform day.
Next week: Antibullying Week, PD Day, Children in Need, Space Centre trip.

We are coming together as a community this week with students running a special non-uniform day to support a compelling cause close to our hearts. This event is dedicated to raising funds for brain cancer research, a cause that impacts families in our community. It is a time for us to reflect, remember, and be mindful of each other's needs.

I would like to acknowledge the bravery our students show in the many different challenges they may face and share the pride I have in working with such fantastic young people.

Have a good and restful weekend.

Special Mentions

EPL League 2023

Last term saw the launch of the Y11 Boy's EPL league. This is a competition designed to motivate a select group of Year 11 students to increase their effort and engagement in all their lessons. So far, the boys have really embraced the challenge and are working hard to accumulate their best individual and team scores.

Well done to Brad K, who was the individual winner with a huge 604 points!

The current scores can be seen further in the bulletin and the competition is heating up with the transfer negotiations starting this week! Hopefully, all deals will be signed off and met by the end of the transfer window on Monday 20th November. Good luck boys and keep up the excellent work.

Engage

EPL

Well done to all the boys in Year 11 who are part of the EPL, and the great start they have made to the project. Keep up the excellent work in this half term!

Points are awarded on a 5-point scale for each lesson, including registration and reading. Going beyond earns the students 5 points, and falling below the expectations would result in a lower score.

The number of points earned over the four teams shows the amount of effort, resilience, and determination our students possess.

Achieve

House

Throughout this week, our year 10 house captains have been actively engaging with their teams, working to solidify the structure of their house leadership group, and deliberating on future strategies. In addition, they have been actively present within the school community, actively championing the upcoming house competitions – the Spelling Bee and Football Showdown. Their dedication and the impact they have already made in their new leadership roles have left us impressed, and we take immense pride in their achievements.

School News

Careers

The University of Law have announced an online/virtual information event on Thursday 16th November, 5pm until 6.30pm. The event aims to give you an insight into the world of law and provide an opportunity to hear from senior leaders and recruitment teams at The University of Law. [Click here to register.](#)

Drop Off

Please can all adults dropping students off in the morning ensure that they are doing so safely. Please could all adults ensure that they are not obstructing entrances to the school, the road, or our neighbour's driveways. Your cooperation and support is much appreciated.

Attendance Competition

Interhouse Football

If students are playing in the interhouse football, they can get changed at break time on their tournament day. At lunch time, they need to go straight to the AstroTurf. They will miss afternoon registration to change back into their uniform. If they buy lunch from the canteen, they need to do this before heading to the AstroTurf. Only pupils who are playing will be allowed to get changed at break, the PE department have a list of all players.
