Do you believe things can be done differently?

Are you ready for a challenge?

We are part of the Potteries Educational Trust. The trust is a vibrant Learning Community, working hard in the areas that we serve to maintain and develop excellent and innovative teaching and learning.

We are seeking to appoint an enthusiastic and committed Technician who will work alongside our Design Technology teacher to provide support to our students and to enable them to excel in their learning and to support our pupils to be the very best that they can.

As our technician you will assist with the day-to-day preparation and delivery of Design & Technology lessons and will work closely with other staff to ensure excellent provision in this area. At present our we focus on product design and construction.

Whilst school experience is desirable it is not essential; we want someone who is self-motivated, organised and flexible and has a real passion for working with young people.

This position is subject to an Enhanced Disclosure check under the DBS. Further details regarding this check are available from schools or by visiting www.disclosuresdbs.co.uk Online checks will also be carried out on short listed candidates.

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Further details and an application pack are available from our website: www.moorside.staffs.sch.uk
