

**"What materials did you use?"**

"The media I used were pencil/ biro/pastel/ watercolours....."

**"Why did you create this artwork?"**

"I created this artwork to....."  
I wanted to observe the detail by drawing from a primary/ secondary source"

**"Was there an Artist or Crafts person whose work influenced you?"**

"I was inspired by....."  
"I was influenced by....."

**"How did the Artists work influence you?"**

"I researched their work and this made me....."

Use this framework to help **annotate and evaluate** your work.

An annotation is a note explaining **how and why** you created the artwork on your project. Evaluation is looking at **what went well and how you could improve.**

## Annotation & Evaluation Scaffolding

Use **adjectives and full descriptive sentences** to describe the processes. Write into your sketchbook next to each piece of work as it develops. Consider **presentation** and make sure your writing is **legible**. You could use a computer if you wish.

**"How did you use the materials?"**

"I applied the pencil/ paint using....."  
I manipulated the clay/ wire....."  
I layered the paper/ paint to achieve a texture....."

**"Did you experiment and manipulate the materials? if so, how?"**

"I experimented with paint, fabric, pencils, collage....."

**"Did you find it easy or difficult?"**

"I found this media....."  
I found it fairly easy to work with.... because....."

**"How could you improve this piece of work?"**

"I could improve my work .....The problems I had were.....I have learnt...I wish I had....."

**"What have you found out? What are your next steps?"**

"I now have a clearer understanding of.....I improved my skills in..... Next I will try.....I hope to....."
