

# Cashless Catering and Parent Pay

By clicking 'Give Consent' for 'Cashless Catering' on the Parent Portal/Arbor App you are consenting to the following:

**ParentPay**  
COUNT ON US

We operate a cashless biometric catering system.

Parent pay is the online dinner money payment provider.

You will have your own account enabling you to pay for your child's school meals in advance.

If your child is entitled to free school meals the students process of purchasing food is the same.

The biometric system is completed in school during the first days of term in September.
