

Up your Lunch Game

Discover our '**Crafted by Mellors**' range

Dear Parent / Guardian,

Mellors is thrilled to unveil *Crafted by Mellors* - a new signature food range celebrating our rich culinary heritage since 1840. This collection blends our passion for quality and innovation, offering classic flavours with a modern twist, inspired by our original recipes and the legacy of "Mr. Tim" Klaas Timmerman. Prepare to bite into tradition... with a twist!

Crafted by Mellors goes beyond simply providing meals. With hundreds of school dining opportunities each year, we believe mealtimes should be an exciting experience that fosters a strong relationship with nutritious, home-cooked food through fun, flavour, and engaging storytelling.

Our dedicated Food Development Team has collaborated closely with the most important critics of all – the students themselves! Through numerous rounds of trials, valuable feedback sessions, and meticulous tweaking, we are delighted to present four stand out signature dishes.

Our original Recipe books!

Up your Lunch Game...our new dishes include:

The Mighty Stack
Dream big with this double-decker delight! Two juicy patties meet crisp lettuce & cheese - all nestled in a toasted bun & finished with Klaas' Kickin' Sauce!

The Yorkie Wrap
Savoury chicken and rainbow veg, marinated with Mr. Tim's secret spice - all wrapped up in a golden Yorkshire pudding. And that rich gravy mayo dip? Game changer!

The Twist
Our 156-year-old Scone Recipe? A classic, of course! But we couldn't resist giving it a fun, modern 'twist'. Enter our churro-inspired scone! Topped with classic jam & cream or a luscious chocolate drizzle - yum!

Mr Tim's Caramel Dream
Another from our historic recipes: This muffin holds a secret ingredient once a true luxury. Today, pineapple adds subtle sweetness, moisture, and nutrients - without tasting like pineapple. Win win! But shhh, it's our little secret!

We are incredibly excited for you and your child to experience this new chapter in the Mellors story. So please keep an eye out for more details on the specific dishes and how they will be featured in your menus.

Please ask your Catering Manager for more details.

Warm regards,
The Mellors Team

Don't take our word for it!
