The school adheres to recruitment and selection procedures which are fair, equal and in line with statutory duties and LA guidelines. New staff are to be made familiar with procedures as part of their induction programme. The skills of all staff, including support and part-time staff, are recognised, and valued and all staff are given status and support and are encouraged to share their knowledge. Staff handbooks and regular professional development activities will be updated and will be available for all staff members to support their practice in relation to this policy.

Steps will be taken to:

- Encourage people from underrepresented groups to apply for positions at all levels in the school
- Ensure that everyone who will be associated with the school is informed of the contents of this policy.

## CURRICULUM

Curriculum planning takes account of the ethnicity, backgrounds, and needs of all pupils by the inclusion of:

- All Genders
- Pupils learning English as an additional language
- Pupils from minority ethnic groups
- Pupils who are gifted and talented
- Pupils with special educational needs
- Pupils who are looked after by the local authority
- Pupils who are at risk of disaffection and exclusion.

The school will monitor and evaluate its effectiveness in providing an appropriate curriculum for pupils of all backgrounds. All subjects contribute to the spiritual, moral, social, and cultural development of all pupils. The content of the curriculum reflects and values diversity. It encourages pupils to explore bias and to challenge prejudice and stereotypes.

There is a programme of curriculum-based activities whereby pupils' understanding of community and diversity is enriched through fieldwork, visits, and meetings with members of different communities. Extra-curricular activities and special events cater for the interests and capabilities of all pupils and take account of parental concerns related to religion and culture where appropriate.

## TEACHING AND LEARNING

Teachers ensure that:

- The classroom is an inclusive environment in which pupils feel all their contributions are valued
- All pupils have access to the mainstream curriculum that supports high standards of attainment and promotes common values
- Teaching is responsive to pupils' different learning styles and takes account of pupils' cultural backgrounds and linguistic needs, particularly those students for whom English is an additional language
- They take positive steps to include all groups or individuals and promote positive attitudes
- Pupil grouping in the classroom is planned and varied. Allocations to teaching groups are kept under continual review and will be analysed by ethnicity, gender, and background
- Teaching styles include collaborative learning so that pupils appreciate the value of working together and an understanding of the diversity that surrounds them. All pupils are encouraged to question, discuss, and collaborate in problem solving tasks
- They encourage pupils to become independent and to take responsibility for their own learning
- They challenge stereotypes and foster pupils' critical awareness and concepts of fairness, enabling them to detect bias and challenge inequalities.

## **ASSESSMENT, PUPIL ACHIEVEMENT AND PROGRESS**

All pupils have the opportunity to achieve their highest standards. Baseline assessment is used appropriately for all pupils. The school aims to ensure that assessment is free of gender, cultural and social bias, and that assessment methods are valid.

The school monitors and analyses pupil performance by gender and is therefore able to identify groups of pupils where there are patterns of underachievement. The school ensures that action is taken to counter this. Staff have very high expectations of all pupils, and they continually challenge them to extend their learning and achieve higher standards. The school recognises and values all positive forms of achievement. Self-assessment provides all pupils with opportunities to take responsibility for their own learning through regular reflection and feedback on their progress.

All pupils have full opportunities to demonstrate what they know, understand, and can do and therefore, to benefit from assessment which summarises what they have learnt. Information from assessment is used to inform future learning. Staff use a range of methods and strategies to assess pupil progress.

## SCHOOL ETHOS

- The school opposes all forms of racism, harassment, prejudice, and discrimination.
- The school publicly supports diversity and actively promotes good personal and community relations. Diversity is recognised as having a positive role to play within the school. Clear procedures are in place to ensure that staff deal with all forms of bullying and harassment promptly, firmly, and consistently. Actions taken are in line with relevant LEA policies and guidance such as those for anti-bullying and dealing with racist incidents. All forms of bullying are recorded, monitored, and dealt with in line with relevant school policies and reported to governors. Pupils, staff, and parents are aware of the procedures for dealing with bullying and that such behaviour is always unacceptable, and staff are trained to deal effectively with all forms of bullying.

## BEHAVIOUR, DISCIPLINE AND EXCLUSIONS

The school expects high standards of behaviour from all pupils. There are strategies to reintegrate long term truants and excluded pupils that address the needs of all pupils. Exclusions are monitored by gender, ethnicity, disability, age, religion/belief, sexual orientation or background and the school's procedures for disciplining pupils and managing behaviour are fair and applied equally to all.

It is recognised that cultural background may affect behaviour. The school takes this into account when dealing with incidents of unacceptable behaviour. All staff operate consistent systems of rewards and discipline as stated within the school's Behaviour Policy. Pupils, staff and parents are aware of procedures for dealing with harassment. They know that any language or behaviour which is racist, sexist, homophobic or potentially damaging to any minority group is always unacceptable.

## **PERSONAL DEVELOPMENT AND PASTORAL CARE**

Pastoral support takes account of pupil differences and the experiences and needs of those looked after children or those with other special needs. All pupils are provided with appropriate career and post-16 advice and guidance which encourages them to consider the full range of options.

Work experience providers will be asked to demonstrate their commitment to equal opportunities.

Appropriate support is given to victims of bullying and intolerant behaviour, using the support of external agencies where appropriate. The perpetrators are dealt in accordance with school policies and provided with relevant support to consider and modify their behaviour.

## **ADMISSIONS AND ATTENDANCE**

The admissions process will be monitored to ensure that it is administered fairly and consistently to all pupils, so that pupils from particular groups are not disadvantaged. Comprehensive information about pupils' ethnicity, first language, religion, physical needs, diet, etc, is included in all admissions forms. The school and families are aware of their rights and responsibilities in relation to pupil attendance, and absence is always followed up by appropriate personnel who are aware of community issues. Provision is made for leave of absence for religious observance which includes staff as well as pupils.

Attendance is monitored by gender and background.
