Revision Technique

END OF MOCKS OR A STEPPING STONE?

As the time after mock exams grows the % of information remembered will drop. The power of 25 minutes a night is enough to make sure that you haven't got to do ALL of it again!

The Forgetting Curve

Revision Recap

Work less, remember more!

All of the resources to prepare for the mock exams are available on the website, by clicking the link below. How many of the steps did you follow? What went well? What would you do differently next time?

GCSE Examinations – Moorside High School

Pastoral

How to deal with exams finishing

- DO Store your revision resources away
- DO Reward yourself and catch up on sleep
- DO Make the next 2 weeks in school count. They make up around 7% of your Year 11 journey in the classroom.
