

# YEAR 11 NEWSLETTER

### Issue 26. WB 7th April

This is the subject content that has been covered in lessons recently. We are encouraging students to revisit work throughout the year as part of their weekly revision programme.

| English (Eduqas)                                |                                    | Maths (Edexcel)                                    |  |  |
|---|------------------------------------|--|--|--|
| Afternoons by Philip Larkin (detailed analysis) |                                    | Maths Genie • Edexcel GCSE Maths Past Papers, Mark |  |  |
|   |                                    |  | Schemes, Model Answers and Video Solutions |  |
| Biology (AQA)                                   | Chemistry (AQA)                    |  | Physics (AQA)                              |  |
| AQA GCSE (9-1) Biology Revision                 | Chemistry of the atmosphere        |  | Atomic structure                           |  |
|   |                                    |  |  |  |
| History (Eduqas)                                | Geography (OCR)                    |  | German (AQA)                               |  |
| Elizabeth I                                     | Coastal erosion processes          |  | German Photo Card Preparation              |  |
|   |                                    |  |  |  |
| Art (OCR)                                       | Computer Science (OCR)             |  | Construction (Pearson)/PD (AQA)            |  |
| Sketchbooks & Final Pieces                      | OCR GCSE (J277) 2.1 Trace tables   |  | UNIT 1 Revision-Cards                      |  |
|   |                                    |  | Informing design decisions                 |  |
| Drama (Eduqas)                                  | Hospitality and Catering           |  | ICT (WJEC vocational/tech award)           |  |
| Past Papers                                     | Preventative - food and ill health |  | <u>Computer viruses</u>                    |  |
|   |                                    |  |  |  |
| Music GCSE (Eduqas)/BTEC                        | PE GCSE (OCR)/BTEC (Pearson)       |  | RE (AQA)                                   |  |
| Badinerie Analysis - Motif section A            | Short Term Ef                      | fects of Exercise                                  | <u> PIN = 3RK96</u>                        |  |
|   | Warm up and c                      | ool down process                                   |  |  |

### Revision

# **HOW MUCH REVISION IS ENOUGH?**

# Past papers are a really good way of revising during the holidays:

You can complete them in exam conditions

You can mark them using the mark scheme

Completing and marking past papers has a start and end. It also identifies weaknesses.

We have sent all students home with all 3 maths exam papers from June 2019.

Below is a link to the mark scheme, model answers and a video solutions.

Past Papers, Mark Schemes, Model Answers and Video Solutions

### **Revision Resources**

# **PAST PAPER EXAMS**

There are links below which will take you to sets of GCSE past papers for each subject. Remember to use the exam board linked to each subject above.
