

## **Year 7 Learning Journey**

Year 8

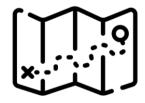

What is the UK's significance in **Europe?** 

> Introduction to population structures

**Population** 

Changing employment structures in the UK **Development** 

Grid references Skills

**Temperate** forest ecosystems **Ecosystems** 

**Characteristics of** temperate climates **Weather** and

Climate

How has my physical landscape changed?

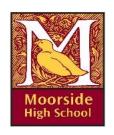

**Deforestation Ecosystems** 

**YEAR** 

**Ecotourism** 

**Sustainability** 

eography

earning Journey

### **Year 8 Learning Journey**

Year 9

**Thematic Topics** 

**Consequences of** rapid urbanisation **Development** 

**Population** control **Population** 

Introduction to

water geopolitics

**Natural** 

Resources

Why are some locations hazard hotspots?

**Comparison of** natural disasters Hazards

**Causes of migration Population** 

Introduction to population change

**Population** 

Is Asia's population a help or hinderance?

**Population density Population** 

**Factors affecting** 

development

**Development and** 

**Natural Resources** 

International aid **Development** 

Introduction to **Population** 

Types of plate boundaries Hazards

**Hazard mitigation** Hazards

Causes of international

migration **Population** 

> Sustainable cities **Sustainability**

> > the Middle **East**

Why is development varied in the Middle East?

ageing populations

**Ecosystems** 

Introduction to global atmospheric circulation Weather and Climate

How has physical geography impacted Africa?

**YEAR** 

**Perceptions of Population** 

River landscapes Landscapes

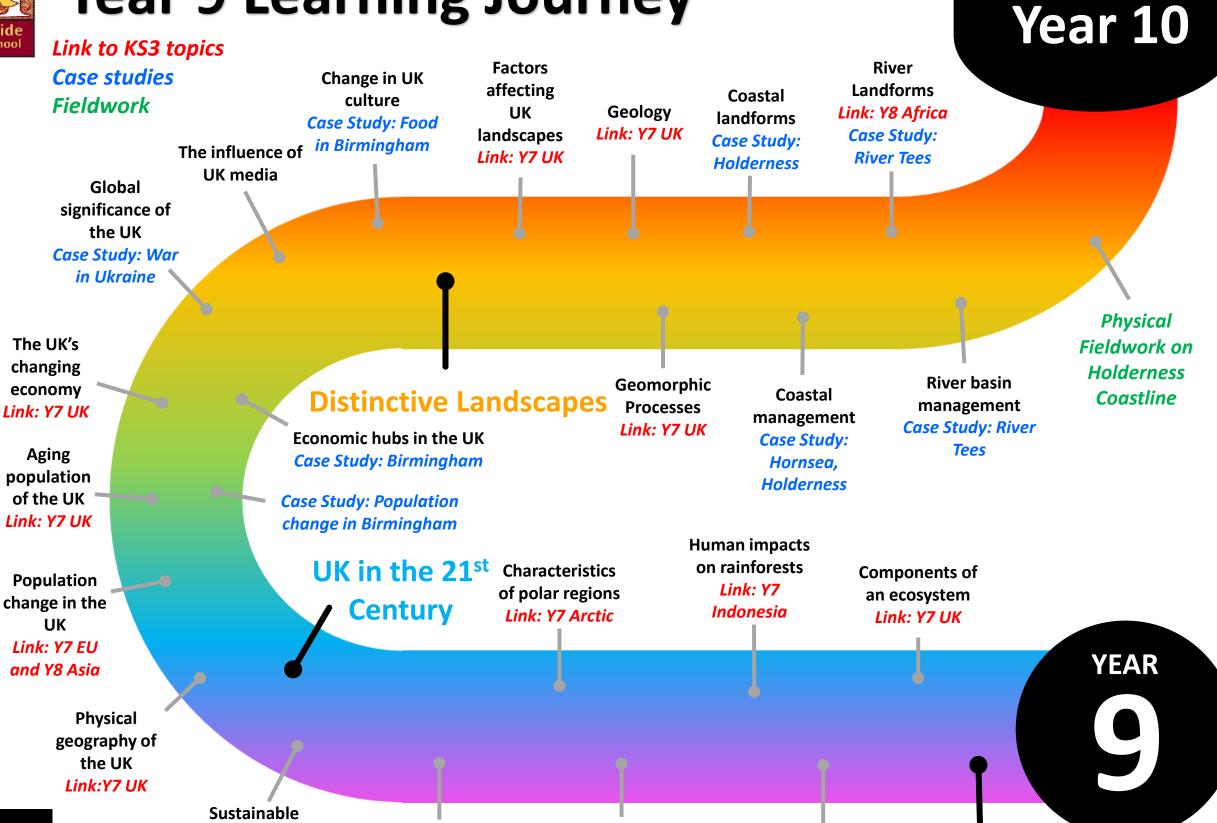

**Characterises of** desert ecosystems **Ecosystems** 

Colonialism **Development** 

Map projections Skills

# **Year 9 Learning Journey**

management of polar regions Case Studies: The **Arctic Sanctuary and** 

Whaling in the Arctic

Human impacts in the **Arctic** Link: Y7 Arctic

Sustainable management of rainforests Case Study: Samasati Nature Reserve (Costa

Rica)

**Characteristics of** tropical rainforests Link: Y7 Indonesia

**Sustaining Ecosystems** 

eography

earning Journey

# **Year 10 Learning Journey**

**Dynamic** 

**Development** 

Measures of

development

Link: Y8 Middle

**East** 

Urban

trends in

the UK

Example of a

**UK** weather

event

Case Study:

**Drought** 

(2012), UK

The global

circulation system

Link: Y8 Africa

**Human Fieldwork** 

in Birmingham

**Hazard mitigation** 

Y8: Tectonics

Types of volcanoes

El Nino/

La Nina

Link to KS3 topics **Case studies Fieldwork** 

Example of a non-**UK** weather event Case Study: Typhoon

Haiyan, Philippines

**Causes of tropical** storms

Causes, consequences and responses to a tectonic event

Case Study: Haiti **Earthquake** (2010)

Types of plate boundaries

Link: Y8 **Tectonics** 

Cause of plate movement **Link: Y8 Tectonics** 

**Global Hazards** 

developments in AC cities

Case Study: Library of Birmingham, UK

challenges of urbanisation in ACs

Case Study: Birmingham, UK developments in LIDC cities

Case Study: Makoko Floating School, Lagos Consequences of in LIDCs

Link: Y8 Asia

**Urban Futures** 

Year 11 investment in **Development** 

> Aid and debt in an LIDC

projects in an

LIDC

Link: Y8 Africa

Link: Y8 Middle East

**Opportunities** and challenges Cause of of urbanisation urban change

Political, social

and physical

context of

development

in an LIDC

in LIDCs in LIDCs Case Study: Link: Y8 Asia Lagos, Nigeria

**Rostow** 

Model

Patterns of global urbanisation

Millennium

**Development** 

Goals

**TNC** 

an LIDC

Link: Y8 Asia

**Potteries** Educational Trust

Sustainable

**Opportunities and** 

Regeneration

in AC cities

Sustainable

**Factors** 

affecting

development

Link: Y8

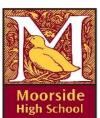

Middle East

Case Study:

Zambia

rapid urbanisation
