**Engage and Achieve**

Moorside High School is an extremely popular and over-subscribed comprehensive school in the Staffordshire Moorlands. The school was rated as good in the Ofsted 2017 inspection.

14% of students are on the SEND register and a dedicated team of 9 Teaching Assistants, an Assistant SENCo, SENCo and RAISE lead also work with these students.

We have an exciting opportunity for a Teaching Assistant to join our friendly and hard working team. The successful candidate would ideally have previous experience of working with children with SEN needs in a school setting. You will need to demonstrate that you are flexible, resilient and have a genuine commitment to special needs education.

**“Pupils who have special educational needs and/or disabilities make good progress compared to others nationally. This is due to the support they receive from the school’s SEND department.”  
Ofsted 2017**

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This position is subject to an Enhanced Disclosure check under the DBS. Online checks will also be carried out.
